

# Fran Allo Memory Tree in Vergennes

The Vergennes Lions Club and Vergennes Rotary Club wish to sincerely thank everyone who donated money, and placed an ornament on the Fran Allo Memory Tree this year, in memory of someone who meant a lot to them who have passed. The funds raised from this help cover the costs of purchasing gifts that needy children can pick up for their parents or caregivers, which took place at the Vergennes Area Rescue building on Sunday, December 18.
